I. Archery: Arm Guards and gloves or finger tabs are required for any archer using a finger release. Mechanical release does not require finger protection. Draw weight cannot exceed 60 lbs. in any class. Recurve-Bare Bow, Recurve-Olympic, Compound-Bow Hunter, and Compound-Open. Aggregate scoring will be used to include recurve, compound and 3-D.

Rules: FITA and IBO. FITA: Jr. and Intermediate: 12 arrows at 20 yards, 12 arrows at 30 yards. Senior: 12 arrows at 30 yards. 12 arrows at 40 yards. 3-D Rules using IBO rule index. Recurve-Bare Bow, Recurve-Olympic, Compound-Bow Hunter, and Compound-Open. All participants will shoot one shot at 3-D. Targets, number of targets and varying distances set by the range officer.

J. Small Bore Rifle: Eye and ear protection required. NRA Rules for equipment for each course of fire will be used. Clear Chamber indicators are required for all events. Distances may vary due to range capabilities. Equipment: 3P match. Any safe rifle using .22 short or .22 long rifle cartridges. No restrictions on barrel length, weight, or accessories. Any safe trigger allowed - NO release triggers. All other equipment used in the 3P match shall conform to Section 3. Equipment and Ammunition in the current NRA Small Bore Rifle rulebook. Small Bore Silhouette Rifle - identical to the mechanical of the High Power Silhouette Rifle, EXCEPT the rifle shall be chambered for only factory loaded .22 caliber short, long, or long rifle cartridges. Maximum weight of the rifle is 10 lbs. 2 oz. which includes sights. Any sights, telescopic or metallic may be used. Any safe trigger, not subject to accidental discharge and which do not function on release is permitted.

K. A/51 Targets: Shoot 3x10 course of fire at 50 yards which includes 10 shots each in prone (1 min per record shot), standing (2 min per record shot), and kneeling (1.5 min per record shot). Targets will be changed after each position. Note that this match may be shot at either 50 yards or 50 meters, with the appropriate targets for 3-position shooting, depending on the capabilities of the range used. Fouling and sighting shots are permitted at any time after the Commence firing command is given (rulebook section 9) Aggregate scoring will be used if silhouettes are shot.

L. A Grand Champion and Reserve Champion for each age division will be awarded for each discipline, however Air Pistol, Shotgun, and Archery will all use aggregate scoring for each age division. All decisions are final.
4-H Notebooks
Department 135
A. Notebooks are to be for the current project year.
B. Only one notebook per project.
C. Project notebooks will be judged in junior, intermediate and senior divisions.
D. Club Notebooks will be judged in the fall during Record Book judging.

B. Developing the Project 25 points
C. Accomplishments 35 points
D. Overall Organization 20 points

4-H Shooting Sports
Department 137
A. Open to all 4-H members who enrolled in shooting sports within the current year. Must be enrolled in the specific discipline in which the 4-H member is competing.
B. Must have Certified Shooting Sports Instructor’s concurrence.
C. State 4-H Shooting Sports Match Rules apply, however the County Shooting Sports Coordinator will conference with certified instructors to make changes in the shoots, such as whether or not to shoot silhouettes, specific distances based on range size, etc. Changes MUST be approved by the Coordinator.
D. 4-H members will receive ribbons, trophies, or other awards, but no premium money will be given due to governing rules and regulations.
E. BB Rules: Eye protection required. Current NRA Rule Book will be used. All participants will shoot 10 shot bulls in each of four positions; prone, sitting, kneeling, standing.
F. Air Rifle Rules: Eye protection required. Current National Standard 3 Position (prone, kneeling, standing) will be used. All Shooters will shoot 20 bulls in each of the three positions. Aggregate scoring will be used to include silhouette.
G. Air Pistol: Eye protection required. All shooters will fire from an unsupported standing position. Juniors may shoot one or two handed. Seniors shoot one handed. Shooters will shoot 40 shots at ten meters for a possible score of 400 on bulls. Then twenty shots on paper or metal silhouettes. Seniors may use one or two handed hold on silhouettes. Aggregate scoring will be used to include silhouette, sporter, and open. Rulebooks: NRA-USAS
H. Shotgun: Eye and ear protection required. Must use instructor approved ammunition. Each shooter allowed two shots from each of five stations as practice rounds. Each shooter will shoot 100 shot heat with 20 shots being from each of 5 stations for score calculation. Aggregate scoring will be used to include trap and skeet. Rulebooks: ATA, NSCA, NSSA 1.Trap (50 clays at 16 yards) 2.Skeet (50 clays at 16 yards

4-H STEM - Rocketry
Department 130

A. 4-H members must be currently enrolled in the 4-H rocketry program.
B. Up to four rockets may be entered. Each one judged separately.
C. Reports, plans and photographs required. Follow instructions on Rocketry sheet included in fair packets. Read and follow all information on Rocketry sheet
D. For the purpose of Kansas 4-H STEM a mid-powered rocket is defined as a rocket that uses an “E”, “F”, “G” or equivalent engine for launch. In addition, rockets also qualify for mid-power if they meet any of the following criteria:
   A. Is 2 inches or greater in diameter (not including fins) and taller than 3 feet (36 inches including fins) and do not use an engine (s) exciding 160.01 Newton seconds of total impulse (an “H” engine equivalent or above).
   B. The total impulse of all engines used in the rocket is greater than 20.01 Newton-seconds and less than 160.01 Newton-seconds.
E. Mid-power rocketry (2xD to G Engines) Guidelines. Purpose: To allow for improved safety and judging of rockets that meet the requirements of 4-H mid-power rockets.
F. High power rockets as defined above (H or I engines) may not be launched in this division. Exhibitors in this division must hold membership in either NAR or Tripoli organizations.
G. If according to Federal Aviation Regulations Part 101, a waiver is required to fly the rocket, a copy of that waiver is to be attached to the High Power Information Form. In the case where the launch was a public event, a substitute to a copy of the waiver is the Range Safety Officers (RSO’s) contact information.

Champion Ribbon and Reserve Champion Ribbons
Premiums: Purple $4.00  Blue $3.00  Red $2.00  White $1.00

Class #
1. Rocket - made from kit - include plans
2. Exhibitors 14 years and older- Rocket designed by exhibitor, not merely a modification of an existing kit rocket. Include original plan.
3. Exhibitors 14 years and older- Rocket designed by exhibitor, not merely a modification of an existing kit rocket. Include original plan.
4. Exhibitors 14 years and older- Rocket designed by exhibitor that uses alternative skins; not merely a modification of an existing kit. Include original plans.
5. Exhibitors 11 years and older- Team Exhibit Rocket designed by 2 or more exhibitors; not merely a modification of an existing kit. Include original plans. This class is designed to encourage teamwork among individuals and clubs to work on a rocket from the initial design to the finished product.
6. Exhibitors 14 years and older- Mid-power rocket made from kit or original design.
7. Exhibitors 14 years and older- High power rocket made from kit or original design.

4-H Banner
Department 131

A. Banners are two dimensional display, depicting one idea. Banner should illustrate a phase of 4-H work which is being practiced by boys and girls in 4-H.
B. Dimensions are to be no less than 12 and no more than 16 square feet, with a minimum of 3 feet on one side.
C. Banners must be hung on a rod and rope or hanging wire strong enough to support the banner.
D. Banners should be made of materials that permit the banner to be folded or rolled without damaging the display.
E. A label is to be attached to the back lower left-hand corner of the banner giving the name of the club, county and year. Letters should be 2” in height. Names of 4-H members are optional.

Thomas County Amusement Association
Carnival Rides & Games
Tuesday thru Thursday
7:00 to 10:00 pm
Friday and Saturday
7:00 to 11:00 pm
Buy a Wrist Band Saturday Night and ride the rides all night.

Tuesday - July 26th
On Tuesday only, the first 100 people that go to the Farmers & Merchants Bank’s main location will receive a ½ priced wrist band for the entire night of rides. (one per person and each person requesting a band must be present)
The first 300 people that purchase 20 tickets at the ticket booth (open at 6:30 pm) will receive 5 additional tickets free.
management project. Robots requiring no assembly, just programming, such as Ozobots, are considered computer systems projects as the skill is focused on the programming not on the construction of the robot.

I. In the event that the robot uses a device like a phone, iPad, or tablet for programming AND operation, DO NOT include the device (phone, tablet, etc.). The device’s safety cannot be insured. Instead, record a video demonstrating the instructions included for your robot. It should show, setting up the robot, starting the robot, the robot executing its task, and powering off the robot, just like the instructions are written.

J. The exhibit must include written instructions for operation, construction plans, and a video of the youth following their instructions for operation. The video should be no longer than 8 minutes and placed on a CD, DVD, or USB drive.

K. Creativity, workmanship, and functionality will be strong criteria in judging the “Robot designed by Exhibitor” classes.

L. Exhibitor’s name(s) must be tagged or labeled in a prominent location on the robot.

M. There are no county or district boundaries that must be adhered to in order to form a Kansas 4-H STEM Robotics team. However, as mentioned in #1, each team member must be currently enrolled in the Kansas 4-H STEM project.

N. Judging will occur Monday afternoon of the fair. Exhibitors are encouraged to be present at judging to confer with the judge, ask and answer questions.

Champion Ribbon and Reserve Champion Ribbons

Premiums: Purple $4.00  Blue $3.00  Red $2.00  White $1.00

Novice – One to Two Years in Robotics Project

Class #
1. Remote Control Robot (Not eligible for State Fair)
2. Robot made from a commercial (purchased) kit.
3. Robot designed and constructed by exhibitor. The robot must not be a mere modification of an existing robot kit or plan.
4. Programmable robot made from a commercial (purchased) kit.
5. Junk Drawer Robotics-based curriculum robot

Intermediate – Three to Four Years in Robotics Project

Class #
6. Robot made from a commercial (purchased) kit.
7. Robot designed by exhibitor. The robot must not be a mere modification of an existing robot kit or plan.
8. Programmable robot made from a commercial (purchased) kit.

Professional – Five or More Years in Robotics Project

Class #
10. Robot made from a commercial (purchased) kit.
11. Robot designed by exhibitor. The robot must not be a mere modification of an existing robot kit or plan.
12. Programmable robot made from a commercial (purchased) kit.

Team Robotics Project

Robot designed and constructed by 2 or more 4-H Space Tech project members. The robot must not be a mere modification of an existing robot kit or plan. The robot may be a programmable type that is made from a commercial (purchased) kit. This division is designed to encourage teamwork and cooperation among fellow 4-H STEM members. As with many high tech projects today, no one person designs and builds a robot alone. It takes the brainstorming, planning, problem solving, and cooperation of an entire team to complete a given robotics project. Exhibitors in this division will be assigned a task for their robots to perform. The tasks are changed annually. Please visit the Space Tech website www.STEM4KS.com for the current year’s task.

Class #
14. Robot made from a commercial (purchased) kit.
15. Robot designed by exhibitor. The robot must not be a mere modification of an existing robot kit or plan.
16. Programmable robot made from a commercial (purchased) kit.
I. Exhibitor’s name, county or district, 4-H age, and year(s) in project must be tagged or labeled in a prominent location on the exhibit, educational display, notebook, and/or poster.

J. If the notebook illustrates the creation, talks about, or shows the result of an app, application, executable, program, or other compiled/interpreted “source code,” a copy of the source code should be included. (In other words if you created an app for a smart phone and you’re illustrating that app, you should include the code you used to build the app). Failure to include a copy of the “source code” may result in up to one ribbon place deduction.

Champion Ribbon and Reserve Champion Ribbons
Premiums: Purple $4.00  Blue $3.00  Red $2.00  White $1.00

Class #
1. Computer Educational Poster
2. Computer Display Board
3. Computer Notebook

Computer Systems
The Kansas 4-H STEM Computer Systems portion of the computer project is designed to allow 4-H members to explore how information is moved from one part of the computer to the other; how information is moved between two or more computer systems (networking); how information is stored; or how information is acted on (programming).

System-On-A-Chip (SOC) (Such as Raspberry Pi) or a Micro Controller (such as an Arduino or Ozobot) AND is a compact (less than 4” x 4” x 4”) system, which can be programmed AND requires minimal assembly to operate (e.g. connecting power, display, and keyboard/mouse cables).

Chip systems may use/include GPIO bread boards or HATS (Hardware Attached on Top) the size of which is not included in the size of the chip system, however the total size of the chip system and GPIO devices may not exceed 24” x 24” x 24” including any display cases. Class 5594 has been added-Chip system-a small (4”x4”x4”) programmed physical device that accomplishes a specific task.

For more information on entering computer systems in the Fair or specific KSF requirements, please contact the Extension Office.

4-H STEM - Robotics
Department 129

A. 4-H members must be currently enrolled in the 4-H STEM-Robotics project to exhibit in this division.

B. Each exhibitor may enter three robots per class. Exhibit must have been constructed and/or completed during the current 4-H year.

C. Each robot must be free-standing, without the need for additional supports in order to be moved or exhibited.

D. Robot dimensions should not exceed 2 feet high, by 2 feet wide, by 2 feet deep. Weight may not exceed 15 pounds.

E. All electric components of the robot must be adequately covered or concealed with a protective enclosure. Paper is NOT considered an adequate enclosure or covering for electrical components.

F. Robots may be powered by an electrical, battery, water, air or solar source only. Junk drawer robots may be powered by a non-traditional power source. Robots powered by fossil fuels/flammable liquids will be disqualified. Robots that include weaponry of any kind will be disqualified.

G. Each robot must be in operable working condition. The judges will operate each robot to evaluate its workmanship and its ability to complete the required tasks for this current 4-H year. Visit the STEM website on the Kansas 4-H website (www.STEM4KS.com) for the current year’s task.

H. Robots must have automated reticulated structures (arms, wheels, grippers, etc.). Game consoles that display on a screen are not considered robots and should either be entered in computer systems division or energy
Champion Ribbon and Reserve Champion Ribbons

Premiums: Purple $4.00 Blue $3.00 Red $2.00 White $1.00

Class #
1. Telescope made from kit
2. Telescope made from original design

4-H STEM - Computers

Department 128

A. The 4-H computer project teaches concepts related to computers, hardware knowledge, software programming and applications, internet safety, the building, maintenance and repair of computers and future career opportunities. Please note that the actual construction of computer hardware (i.e., building a computer, electronic devices with a mother-board based manipulation) will remain in the Energy Management division.

B. The 4-H members must be currently enrolled in the 4-H STEM – Computers project to exhibit in this division.

C. Each exhibitor may enter one exhibit per class. Exhibit must have been completed during the current 4-H year. Educational display boards, posters and notebooks should be creative and showcase details about the knowledge learned in the computer project. Value is placed on youth who can demonstrate how their skills have increased while completing the project.

D. Follow copyright laws as you are preparing your exhibit. Site your sources of scientific information on your exhibit, when appropriate.

E. For notebooks, display boards, and posters, no additional exhibit information is required; no manila envelope is needed for these exhibits.

F. Educational posters must be no larger than 22” x 28” poster board.

G. Educational displays are not to exceed a standard commercial 3’ x 4’ tri-fold display board. Commercially available “Science Fair Presentation Boards” are encouraged. Exhibitors are encouraged to laminate all posters and diagrams or cover them with clear plastic film.

H. Project notebooks must be organized in a 3-ring binder.
4-H STEM - Arch. Block Construction
Department 126

A. The 4-H member must be currently enrolled in the 4-H STEM–Architectural project to exhibit in this division.
B. Each exhibitor may enter one exhibit. Exhibit must have been completed during the current 4-H year.
C. Total exhibit dimensions may not exceed 2 feet high, by 2 feet wide, by 2 feet deep.
D. All exhibits should be placed in a sturdy see through enclosure with a top, bottom, and 4 sides. A fish tank would be an acceptable enclosure. The outer dimensions of the enclosure are part of the total exhibit dimensions.
E. All components used in construction should be dust free, clean, free of chips, scuffs or cracks.
F. The primary building component should be interlocking blocks commonly referred to by the brand name of Lego®.
G. Other architectural components can be integrated into dioramas to illustrate architectural aspects that may be difficult to convey with traditional interlocking blocks.
H. The use of existing “store bought” sets for major architectural elements of the display is not allowed, use of figurines from sets is allowed as is using individual bricks to create something different than the architectural component of the set it came from.
I. Displays must have significant architectural components (walls, windows, doors, roofs, canopies, flying buttresses, etc.), landscapes are discouraged.
J. Architectural elements should have a consistent look. Walls with no pattern or consistency will be deducted one ribbon placing.
K. Gaps or cracks should not be visible between assembled blocks.
L. Doors should open and close. Windows can open and close or can be fixed.
M. Vehicles that are intended to stay in a single place should be affixed to base plates with sticky tack, hot glue or other method.
N. Reveals that show the inside of a structure are acceptable, such as only having three walls to allow an unobstructed view into a room.
O. The exhibitor’s name and county must be labeled in a prominent location on the display.
P. For the State Fair:
   - Exhibits must include an information packet with forms from the STEM4KS website, as well as a video about their project. Contact the Extension Office for more information.

Champion Ribbon and Reserve Champion Ribbons
Premiums: Purple $4.00  Blue $3.00  Red $2.00  White $1.00

Class #
1. Introductory (1-3 years of experience)
   Diorama illustrating at least 2 architectural features beyond floors, ceilings and walls.
2. Experienced (4-6 years of experience)
   Diorama illustrating at least 4 architectural features beyond floors, ceilings and walls and includes 1 or more motion elements.
3. Advanced (7-9 years of experience)
   Diorama illustrating at least 6 architectural features beyond floors, ceilings and walls and includes 2 or more motion elements.
4. Master (10 or more years of experience)
   Diorama illustrating at least 8 architectural features beyond floors, ceilings and walls and includes 3 or more motion elements.

4-H STEM - Astronomy
Department 127

A. The 4-H member must be currently enrolled in the 4-H STEM–Astronomy project to exhibit in this division.
B. Each exhibitor may enter one exhibit per class. Exhibit must have been completed during the current 4-H year.
C. Telescopes entered in this division may be built from a kit or by original design. Pre-finished telescopes which require no construction or painting are not acceptable exhibits.

4-H STEM - Ag Mechanics (Welding) Department 125

Champion Ribbon and Reserve Champion Ribbons
Premiums: Purple $4.00 Blue $3.00 Red $2.00 White $1.00

A. The 4-H member must be currently enrolled in the 4-H STEM – Architectural project to exhibit in this division.
B. Each exhibitor may enter one exhibit. Exhibit must have been completed during the current 4-H year.
C. Wheeled exhibits must utilize a braking mechanism which prevents the exhibit from freely rolling while on display.
D. Each exhibit must be free-standing or sufficiently supported to allow for movement by the superintendent as well as to prevent it from toppling over.
E. Painting or spot painting is not allowed on projects after arrival on fairgrounds.
F. Repair projects having adequate original finish need not be repainted.
G. Cutting surfaces, such as blades, are to have a protective covering over them to prevent injury.
H. Covering should be easily removed and reinstalled for judging.
I. If a safety violation is noted by judges, superintendent or staff, the exhibit will receive a deduction in ribbon placement.
J. Level 1 classes (4-13) are Introductory and are for members with 1-3 years’ experience.
K. Level 2 classes (14-21) are Experienced and are for members with 4-6 years’ experience.

Class #
1. Sample board showing butt lap and t-weld. Each weld is to be 4” to 6” in length. (Not eligible for KSF.)
2. A 6” x 15” plate showing good bead; bead with amps too high; bead with amps too low and a weld moving too fast. (Not eligible for KSF.)
3. Tool or article requiring welding to construct. (Must submit plans/instructions for project)(Not eligible for KSF.)
4. Welding Display Board - A 3’ x 3’ display board with different pieces of metal attached illustrating differing types of welds, each weld being labeled.
5. Level 1 Welding Ag Repair. Repair of ag equipment with welding.
6. Level 1 Welding Ag Fabrication. Creation of new ag equipment with welding.
7. Level 1 Welding General Repair. Repair of non-ag equipment with welding.
8. Level 1 Welding General Fabrication. Creation of non-ag equipment with welding.

10. Level 1 Brazing Repair.
11. Level 1 Brazing Fabrication.
12. Smithing Display Board. A 3’ x 3’ display board with different pieces of forged metal attached illustrating different forms, each form being labeled.
13. Level 1 Smithing. A design forged with at least one formed element (twists or spirals for example.)
14. Level 2 Welding Ag Repair. Repair of ag equipment with welding.
15. Level 2 Welding Ag Fabrication. Creation of new ag equipment with welding.
17. Level 2 Welding General Fabrication. Creation of non-ag equipment with welding.
18. Level 2 Artistic Fabrication. Creation of artistic or interpretive pieces with welding.
20. Level 2 Brazing Fabrication.
21. Level 2 Smithing. A design forged with at least two formed elements (twists or spirals for example.)
3. Digital Composite Image: Photo must be created from two or more originals taken by the exhibitor. Exhibitor must include a second 11 x 12-1/2 matte board (Explanation Board) mounted with standard size prints of the original photos, 3 x 5 card(s) explaining what manipulation was done and a standard size print of the final photo. Optional, may include prints of editing steps. Photos showing editing steps may be layered. Please put name and Extension Unit on the front of the second board. Explanation Boards will be displayed as a group to explain and promote the class. Place both matte boards in the same protective plastic bag.

4. Video - Entries must be full motion not a series of still images with pan or zoom motion added by a software program. All content must be the result of the current year’s project work. All content must be original and created by the exhibitor(s) unless signed copyright, use and/or performance releases are provided. Entries may be created by an individual or by a team. Talent, computer editing, titles, graphics, animation and music are allowed and recommended. Entries must be one of the following production types: Instructional, Informational, Documentary, Persuasive/PSA, Story or Entertainment. Length must be no longer than three minutes with the exception of Persuasive/PSA which must either be 30 seconds or 60 seconds. Entries will be evaluated on design characteristics, technical content, production quality, and effectiveness. Entries not adhering to the rules and requirements will be awarded a ribbon one placing lower than the placing determined by the official judges. Videos must be in a DVD standard format, so as to be playable on a laptop computer.

**4-H Visual Arts Department 124**

A. Judging will take place on Thursday, July 21 at the 4-H Building.

B. Total number of entries must be pre-entered to enable time schedule for judging.

C. Each exhibitor is limited to 5 exhibits per class, a total of 15 entries. Entries must be exhibited at the fair in order for the exhibitor to receive premium money.

D. Judges will choose the top exhibits in classes 1-5 to be eligible for display at the State Fair.

E. Overall champion and reserve champion will be given in each age division. (Junior, Intermediate and Senior).

F. All wall hangings and pictures must be ready to display. Some type of mat, frame or backboard with a well-secured hanger above the top of mat, frame, backboard (see illustration) or entry will be lowered one ribbon placing. Pop tabs can no longer be used as an acceptable hanger.

G. *Kansas State Fair eligibility: Kits and preformed molds are not considered original and are not acceptable at KSF. Combining parts of different patterns (pictures, photographs, images from the internet or a magazine) with the member’s own ideas can result in an original design, but simply changing the color, pattern, and/or size of a pattern does not make the design original. Large art items will not be accepted at KSF, and plants or plant materials needing watering are not allowed at KSF.*

RULES AND REGULATIONS
COVERING THE THOMAS COUNTY
FREE FAIR AT COLBY, KANSAS
July 25-29, 2022

RULE I — GENERAL RULES

Section 1 The Thomas County Free Fair reserves the directors the final and absolute right to interpret these rules and regulations and arbitrarily settle and determine all matters, questions and differences in regard to, or otherwise arising out of, connected with or incident to the fair.

Section 2 The management reserves the right to amend and add to these rules as they in their judgment may deem advisable. In case of conflict between general and special rules, the latter will govern.

Section 3 Any person who violates any of the following or special rules will forfeit all privileges and premiums and be subject to such penalty as the board of directors may order.

Section 4 The following rules and regulations will apply to each and every department of the fair and exhibitors and concessionaires are required to familiarize themselves with all rules.

Section 5 All entries must be filed with the secretary not later than the date and time specified. The management reserves the right to reject any entries offered.

Section 6 All articles must be claimed by 9:30 am on Saturday. Premiums will not be awarded to any animal leaving before release time.

Section 7 All entry blanks must remain at the office of the secretary and claim checks will be issued for the articles listed.

Section 8 All property of any character entered for competition, display or for any other purpose of being anywhere on the fair grounds, shall be subject to the control of the secretary.

Section 9 In no case shall the Thomas County Free Fair or its board employees be held responsible for any loss, damage, accident, injury or death from any cause of people or animals, diseases included, of any charges, while they or their property are on the fair grounds or any other time or place.

Section 10 If the property owners or others interested in the property desire protection against loss or damage from injury, against fire or from other causes they must make their own arrangements and pay for such insurance.

Section 11 Exhibitors will be requested to keep their places and stalls in a clean condition by removing any filth or litter from in front and behind pens and stalls and place such items conveniently for the litter force of the management to gather up.

Section 12 If it be ascertained that any exhibitor or his employee has in any ungentle manly manner taken exceptions to the judgment ruling of any award committee, judge, superintendent or any official of the Thomas County Free Fair at Colby, Kansas.

4-H Photography Department 123

A. Black and white prints and color photographic prints and/or videos may be exhibited. Each Exhibitor will be Limited to four mounted entries.

B. Photographs entered must be the result of the current year’s project work by the 4-H member.

C. Remove white border from the enlargement before mounting. All photos must be no larger than 8” x 10” and no smaller than 7” x 9” after trimming. Photos are to be mounted across the narrow (11” dimension) of an 11”x12.5” sheet of white or cream studio mount. The Extension Office has the mounting boards for you to purchase. Photos mounted on foam board will not be displayed. Photo must be mounted with the top edge of the print 1” below the top of the mount (board is always oriented narrow side up). The sides of the print must be equal distance from the two sides of the mount. A permanent mount must be made using the photographic adhesive or equivalent. No lettering is permitted on the front of the mount or on the photo, only on the Fair 4-H Photography ID form available at the Extension Office.

D. No underlays or borders are to be used. No contact prints on the front of the mount. To protect exhibits from dust and moisture, place the photo in a bag. (Bags that fit are available for purchase at the Extension Office. Please DO NOT seal the bags.) Improperly mounted photos will be awarded a ribbon one placing lower than the placing determined by the official judges.

E. Photographs taken with a digital camera and having no more adjustments than exposure, color intensity or correction, one click filter effects, red eye removal, cropping, dodging and burning should be entered in the standard color or black and white classes. HDR photos are to be entered in the standard photo class.

F. Digital Composite Image: Finished photo must be created from two or more original sources created by exhibitor. HDR photos do not qualify for this class. Photos will be judged on photographic merit as well as manipulation technique and process. Ribbon placement will be determined by combining the score of each judging section.

G. The black and white class is for black and white prints only. Monochromatic prints, including sepia prints are considered color photos and must be entered in the appropriate color photo class.

H. Photographic subject matter is expected to follow 4-H standards. For a sense of prohibited subject matter, review the Kansas 4-H member Code of Conduct; in general, if it is not allowable at a 4-H event, it is not allowable in a 4-H photograph at the Fair.

I. Photos with live subject(s) on railroad right of way or taken from railroad right of way property will not be displayed in Kansas 4-H Photography and will be disqualified and not judged.

J. Copyright protections must be observed.

K. Decisions as to display and/or penalties will be made by the Photography Department Superintendent and the Extension Agent responsible for the photography department.

4-H Home Environment

Department 122

A. Members must be enrolled in this project to exhibit at the fair.
B. Articles may have been used, but if so, shall be carefully laundered or cleaned before exhibit.
C. A single exhibit cannot be exhibited as part of a group exhibit or vice-versa.
D. Members will be required to display at least one “before” and one “after” picture for the public to view. (The pictures should be mounted with rubber cement on 1/2 of a poster board with the member’s name, age and club listed.) These are not to be judged but for display only, however they should be neatly done.
E. Members may choose to make an additional poster or notebook exhibit of the work done in the project. These will be judged as a poster or notebook exhibit. Articles made by the 4-H member for this project may be entered as exhibits, also. They will be judged as a single item.

Champion Ribbon and Reserve Champion Ribbons

Premiums: Purple $4.00 Blue $3.00 Red $2.00 White $1.00

Class #
1. Single Exhibits
   Exhibit an article made by the 4-H member for the home. Include explanation of how it was made and how it fits in the room. Summary could also include project inspiration, cost, pictures, plans, patterns, etc. Explanation can be on a poster, in a story or other method. (If a pair is exhibited, include both.) Explanation will not be judged, but will qualify the exhibit to be judged and will be helpful to the judge and fair audience. Examples: curtains, wall hanging, picture, pillow, rug, wood project, room exhibit/Photo display, other
2. Design Board
   Boards must be on foam core or a standard tri-fold display. Include: color scheme, wall treatment, floor treatment, samples, etc. and/or floor plan for a room. Must include attached explanation summary.
3. Notebook
   Notebooks may include floor plans, swatches, colors, stories, photographs, and project records which detail what was accomplished this year with a given indication of long-term plans. Notebooks should also include project inspiration, challenges, who helped you, etc.

County Free Fair, or the board of directors, can prevent exhibitor and employee, so offending, from competing for a premium or exhibiting on the grounds of the association until they have made proper apology and been reinstated by a majority of the whole board of directors.

Section 13 The Superintendent shall exclude livestock from competing should there be any unnecessary or embarrassing delay on the part of the exhibitor in bringing the animals into the show ring.

Section 14 Exhibitors shall show their animals at such times and places as may be directed and shall furnish such information concerning their stock as may be required by the superintendent and the refusal to do so will result in forfeiting of any and all claims to awards.

Section 15 Special care will be taken that no animal having a communicable disease of any nature, enters the grounds at any time during the fair. All livestock must be healthy and originated in a herd apparently free from infectious and contagious diseases. All livestock must comply with state and federal regulations affecting intra- and inter-state movement.

Section 16 Nothing shall be sold or given away or otherwise disposed of by exhibitors which may in any way conflict with or which is the subject matter of any privileges or concessions granted or sold by the Thomas County Free Fair.

Section 17 Exhibitors must provide their own liability insurance.

Section 18 Exhibitor ages will be determined as of January 1 of the current year. Exhibitors 12 and under will be considered Juniors and those 13 and over will be Seniors unless specifically designated differently by department.

Section 19 4-H items exhibited in the 4-H building will receive stickers in lieu of a ribbon. Stickers may be exchanged when premium checks are picked up.

Section 20 If anyone is caught parking in the handicap area they will be ticketed

RULE II – REMOVAL OF OBJECTIONABLE EXHIBITS AND DISPLAYS:

Section 1 The management reserves the right to remove from the fairgrounds any exhibit, animal, concession or show that may be falsely entered or may have any sign, banner, or advertising matter of any kind which may be deemed unsuitable or objectionable by them without assigning a reason.
RULE III – CONCESSIONS AND PRIVILEGES

Section 1 The board of directors authorizes the letting of only such privileges or concessions as are necessary to supply the wants of the people or that may add to their comfort, convenience, or pleasure, but under no circumstances will a privilege of a questionable nature be let or any matter tolerated where the business is conducted in any other than a legitimate and trade-like manner. The sale of alcoholic liquors is strictly prohibited.

Section 2 Parties desiring to purchase privileges can do so any time on application to the secretary on or before the opening day of the fair.

Section 3 All space allotted must be improved and decorated by the purchaser at his own expense.

Section 4 Each concession must confine itself to the space assigned. Failure to do so will subject him to forfeiture of his privilege.

Section 5 The board of directors will use every precaution to guard against extortion of any form upon patrons of the fair. A violation of this rule by any concessionaire will cause the forfeiture of contract, and money paid and expulsion from the grounds as the management or superintendent may direct.

Section 6 Access to concessions. Any official representative of the Thomas County Free Fair shall have access to the premises of any exhibitor or concessionaire at any and all times.

Section 7 Care of Concessions. All buildings and ground space are to be kept neat and clean. The concessionaire is to deposit all refuse and rubbish in the receptacles provided by the Thomas County Free Fair and is to conduct his/her business in a quiet and orderly manner.

Section 8 Buildings, stands, all booths, tents and other enclosures erected must meet with the approval of the Thomas County Free Fair management.

Section 9 Price Signs: A sign shall be posted at the front or entrance of each stand or enclosure, showing the prices charged for lunches, meals or drinks. The signs are to meet the approval of the management and to be at all times in view of the customers.

Food Preservation
A. All exhibits must have been preserved since the previous fair, and not been exhibited at the previous State Fair.

B. Recommended recipes and processing method must be used. Recipes must be from 1995-present and must be adjusted for altitude. Processing methods that will be disqualified include: open-kettle canning, oven canning, sun canning, and using electric multi-cookers. Untested recipes will be disqualified for food safety reasons. Follow guidelines in K-State Research and Extension Food Preservation recipes and publications or “USDA’s Complete Guide to Home Canning”; or “So Easy to Preserve, 6th Edition, The University of Georgia Cooperative Extension Service”; or “Ball Blue Book Guide to Preserving,” or “Ball Complete Book of Home Preserving,” or Canning mixes (i.e. Mrs. Wage’s, Ball), or Pectin Manufacturers (i.e. SureJell, Ball). Pickles and sweet spreads must be finished using the water bath process for the altitude of residence. Low acid products must be pressure processed properly for the altitude of residence. NOTE: We are HIGH Altitude — adjustments will be needed!

C. No alcohol should be included as an ingredient in food preservation entries. Entries with alcohol in the recipe will be disqualified and not be judged.

D. Each exhibit must have the complete recipe and instructions attached with the entry card, or it will be lowered one ribbon placing. Recipe must include exhibitor name, recipe source, date of publication and altitude of where food was processed.

E. Exhibits must be processed in clean, clear standard canning jars, with matching brand (use Ball lids on Ball jars, or Kerr lids on Kerr jars, etc.) two piece lids. Do not use colored jars. Do not add fancy padded lids, fabric over wraps or cozies as they interfere with the judging process. No fancy packs unless recipe states to do so (ex: Pickled asparagus) Jars must be sealed when entered. For food safety reasons, the size of jars used must not be larger than the jar size stated in the recipe. Note: There are 12-ounce, 24-ounce and 28-ounce canning jars available and may be used. Use pint jar process recommendations for 12 ounce jars. Use quart canning jars, with matching brand (use Ball lids on Ball kettle canning, oven canning, or Pectin Manufacturers (i.e. SureJell, Ball). Pickles and sweet spreads must be finished using the water bath process for the altitude of residence. Low acid products must be pressure processed properly for the altitude of residence. NOTE: We are HIGH Altitude — adjustments will be needed!

F. Each jar exhibited must be labeled properly or will be disqualified. The label must not cover brand name of jar. The label must give: Class No, Product, Altitude Where Processed, Canning Method (water bath, weighted gauge or dial gauge pressure method), Process Time, Pressure (psi). Date Processed including month and year, Name, and County. Templates to make adhesive labels may be found at: http://www.kansas4-h.org/events-activities/fairs/kansas-state-fair/ Refer to K-State Research and Extension publication, 41712, “Food Safety Recommendations for Acceptable Food Preservation Exhibits”, for information to help you make informed, safe food preservation exhibit decisions.

G. Use high altitude pressure canning.

H. Hole punch the entry card and use a rubber band or string to attach the entry card and recipe around the top of the jar.

I. No exhibitor may make more than 4 different entries per numbered class. 1 jar = 1 entry
Refer to K-State Research and Extension publications-4-H88, Judge’s Guide for Food and Nutrition Exhibits, and MF3544, Food Safety of Frostings and Fillings for information to help you make informed, safe food exhibit decisions.

A. 4-H members will be given a time for conference judging. They are to bring their food at that time.

B. Exhibitors can make up to three different entries of the same kind of food product (ex. No more than 3 types of baked cookies and 3 types of no-bake cookies, etc.) Exhibitors may select their own recipes. Baked items may be made from a favorite recipe or commercial mix.

C. Complete recipes with ingredients and instructions must be attached (or provided) with each entry, or the placing will be lowered one ribbon.

D. No alcohol should be included as an ingredient in food entries. Entries with alcohol in the recipe will be disqualified and not be judged.

E. The entire product must be entered and uncut. Exhibit 3 small items of the same kind (ex. Cookies, muffins, biscuits, bread sticks); 1 large item (ex. Loaf of yeast bread, pan of brownies, whole pie)

F. All exhibits must be baked and loaves must be whole and uncut. Cookies and rolls must be the same shape and same recipe. Any baked item that can be removed from the pan should be placed on a plate, covered cardboard or disposable container of appropriate size for the exhibit.

G. Non-perishable food products (safe at room temp) may include: cookies, brownies, muffins, biscuits, sweet rolls, yeast bread, specialty bread, cake (frosted or un-frosted)

H. All un-frosted cakes should be exhibited in an upright position with crust showing. The exception is for those cakes made with special designs such as Bundt cakes. They should have top crust side down.

I. After being judged, non-perishable items will be sold at a table in the 4-H building. Proceeds will go to the County 4-H Council.

J. Classes marked (*) are not eligible for the State Fair. Perishable foods (are temperature sensitive) include: fruit salad, vegetable salad, vegetable dip, fruit dip, sandwich, nutritious beverage, main dish. Perishable foods and foods with custard type filling and frostings (ex. cream cheese), should be exhibited under proper temperature conditions and may not be taste-judged at the discretion of the judge. Also, they may not be sold for food safety reasons. “Canned” bread or cakes in a jar will be disqualified. *Hot foods must be hot and cold foods cold.

K. Educational Exhibits may be in the form of a poster, notebook or display. Follow copyright laws. Take care to select materials that will withstand Fair conditions. No card table displays are allowed. NOTE: A collection of your favorite recipes in a recipe box or notebook does not constitute an educational exhibit. These displays are to be entered in Department 136.

L. Food Gift Baskets/Package No alcoholic beverages will be accepted. A food gift basket/package must contain at least 3 different food items (prepared for human consumption and not of the same category) by the 4-H member, in a suitable container no larger than 18”x18”x18”. Prepared food items must have recipes attached with the entry. Additional homemade food items beyond the 3 minimum or purchased items may also be included in the gift basket. On an attached 3 x 5 card, answer these questions: a) what is the intended use; b) what food safety precautions were taken during and after preparation. Champion Ribbon and Reserve Champion Ribbons Premiums: Purple $4.00 Blue $3.00 Red $2.00 White $1.00

2022 REQUIREMENTS FOR KANSAS COUNTY FAIRS

GENERAL REQUIREMENTS

All animals are subject to examination by the exhibition staff or their representatives, and shall be free of clinical signs of infectious or contagious disease. Animals determined by exhibition staff to have not met listed requirements will not be permitted to exhibit. A certificate of veterinary inspection (CVI, health paper) issued by a licensed and accredited veterinarian in the state of origin within 30 days before the exhibition and any additional requirements shall be county options.

CATTLE AND BISON

The Kansas Department of Agriculture- Division of Animal Health (KDAH) requires no tests on cattle and bison of Kansas origin. Cattle determined by exhibition staff to have lesions of ringworm, warts or infested with mange will not be permitted to exhibit.

SWINE

Swine originating in Kansas must meet the general requirements. Kansas has obtained Stage V status in the National Pseudorabies Program, and the state is classified free of swine brucellosis. Negative pseudorabies and brucellosis tests are not required for Kansas origin swine.

SHEEP

In addition to the general requirements, all sheep shall: Be free of any signs of sore mouth Be free of signs of active fungal (ringworm) infection, including club lamb fungus Be identified with an official USDA premises identification tag (Scrapie tag.)

GOATS

In addition to the general requirements, all goats shall: Be free of any signs of sore mouth Be free of signs of lesions of ringworm, warts or infestation of mange Be identified with a registered tattoo or an official USDA premises ID tag (Scrapie tag.) Goats identified with registration tattoos must have legible tattoos and must have registration papers for these animals available for inspection.

HORSES

Horses shall meet the general requirements. A negative test for equine infectious anemia (Coggins Test) within 12 months prior to exhibition should be considered, but this is not required by the KDAH. Counties also may want to consider recommending a comprehensive vaccination protocol, including Equine Herpes Virus-1, but this is also not required by KDAH.

POULTRY

All poultry, except waterfowl, must show proof that they are pullorum-typhoid clean by one of the following methods: Originate from a U.S. Pullorum-Typhoid clean flock as evidenced by an official VS Form 9-2, certifying all birds in the flock over four months of age have had a negative test for pullorum-typhoid within the past year. Present evidence that the entries were purchased from a U.S. Pullorum-Typhoid clean source and have been the only poultry on the premises (Presentation of a VS 9-3 Form received when poultry were purchased.)
Present an official VS 9-2 Form, signed by an official testing agent showing the entries have had a negative pullorum-typhoid test within the proceeding 90 days. If an official tester is on-site at the county fair, entries may be tested prior to entry into the facility. A VS 9-2 Form must be completed for each entry. If any birds in an entry test positive for pullorum-typhoid, the entire entry as well as all other birds from the same premises will be refused. Therefore, it is strongly recommended that birds be tested prior to arriving at the fair.

**LIVESTOCK ORIGINATING FROM OTHER STATES**

**GENERAL REQUIREMENTS**
All livestock entering Kansas shall follow all KDAH import requirements. The import requirement list is available at www.agriculture.ks.gov/animalhealth or by calling KDAH at (785) 564-6601. In addition, all livestock must meet the following requirements:
- Be free of clinical signs of infectious or contagious disease. Animals with lesions of ringworm, warts, infested with mange or any other infectious or contagious disease, as determined by exhibition staff, will not be permitted to exhibit.
- Be accompanied by a CVI issued within 30 days before exhibit. This must be available, upon request, to the exhibition staff.
- All cattle, swine, sheep and goats, including steers and spayed heifers, must be individually identified by a USDA-approved ear tag (metal, $40-compliant, or premises tag), official breed registration tattoo or tag, or breed association ear notch for swine.
- All identification numbers must be individually listed on the accompanying CVI.
- If registration tattoos are used, the registration papers must be available for inspection, and both the FULL registration number and tattoo number must be written on the CVI.
- All required tests must be conducted by a state-approved laboratory.
- TB testing, if required, must be conducted by a veterinarian who is licensed and accredited in the state of origin.
- All animals are subject to examination by the exhibition staff or their representatives.

**CATTLE AND BISON**
All cattle and bison entering Kansas must meet the general requirements.

**SWINE**
In addition to the general requirements, all swine entering Kansas must meet one of the following:
- Originate from a qualified pseudorabies-free/validated brucellosis-free herd. The current qualified/validated number must appear on the CVI. (Hogs from monitored pseudorabies herds do not qualify under this requirement.)
- Originate from a state of Stage IV or V status in the National Pseudorabies Program.
- Originate from a Swine Brucellosis free state
- Any swine not originating from Stage IV or Stage V National Pseudorabies Program states, and any swine not originating from swine brucellosis free states, must show evidence on the CVI that swine have been tested negative for pseudorabies (by serum neutralization) and brucellosis within 30 days before entry into Kansas, and that the herd of origin has had no positive cases of pseudorabies within the previous 12 months.

**LIVESTOCK ORIGINATING FROM OTHER STATES**

- Originate from a state of Stage IV or V status in the National Pseudorabies Program.
- Originate from a Swine Brucellosis free state
- Any swine not originating from Stage IV or Stage V Nation Pseudorabies Program states, and any swine not originating from swine brucellosis free states, must show evidence on the CVI that swine have been tested negative for pseudorabies (by serum neutralization) and brucellosis within 30 days before entry into Kansas, and that the herd of origin has had no positive cases of pseudorabies within the previous 12 months.

**LIVESTOCK ORIGINATING FROM OTHER STATES**

**GENERAL REQUIREMENTS**
All livestock entering Kansas shall follow all KDAH import requirements. The import requirement list is available at www.agriculture.ks.gov/animalhealth or by calling KDAH at (785) 564-6601. In addition, all livestock must meet the following requirements:
- Be free of clinical signs of infectious or contagious disease. Animals with lesions of ringworm, warts, infested with mange or any other infectious or contagious disease, as determined by exhibition staff, will not be permitted to exhibit.
- Be accompanied by a CVI issued within 30 days before exhibit. This must be available, upon request, to the exhibition staff.
- All cattle, swine, sheep and goats, including steers and spayed heifers, must be individually identified by a USDA-approved ear tag (metal, $40-compliant, or premises tag), official breed registration tattoo or tag, or breed association ear notch for swine.
- All identification numbers must be individually listed on the accompanying CVI.
- If registration tattoos are used, the registration papers must be available for inspection, and both the FULL registration number and tattoo number must be written on the CVI.
- All required tests must be conducted by a state-approved laboratory.
- TB testing, if required, must be conducted by a veterinarian who is licensed and accredited in the state of origin.
- All animals are subject to examination by the exhibition staff or their representatives.

**CATTLE AND BISON**
All cattle and bison entering Kansas must meet the general requirements.

**SWINE**
In addition to the general requirements, all swine entering Kansas must meet one of the following:
- Originate from a qualified pseudorabies-free/validated brucellosis-free herd. The current qualified/validated number must appear on the CVI. (Hogs from monitored pseudorabies herds do not qualify under this requirement.)
- Originate from a state of Stage IV or V status in the National Pseudorabies Program.
- Originate from a Swine Brucellosis free state
- Any swine not originating from Stage IV or Stage V Nation Pseudorabies Program states, and any swine not originating from swine brucellosis free states, must show evidence on the CVI that swine have been tested negative for pseudorabies (by serum neutralization) and brucellosis within 30 days before entry into Kansas, and that the herd of origin has had no positive cases of pseudorabies within the previous 12 months.
Judging Guidelines for Fashion Revue

**4-H Fashion Revue**

**Department 119**

A. Constructed Fashion Revue will be Tuesday, July 19, 2022 following Buymanship judging. The Public Revue will start at 7:30 p.m. The 4-H members must be enrolled in the 4-H clothing project and model only current 4-H year work.

B. No exhibitor may make more than two entries per class. Garments must be modeled and judged to qualify for the public revue. In the Public Revue, 4-H members will be limited to two constructed and two Buymanship garments.

C. An individual must model in the Public Revue to receive premiums. Exceptions may be made for those with a valid excuse.

D. Wearable accessories cannot be modeled by themselves, but can be used as an accessory to a garment or outfit.

E. Cost-per-wear sheet must be completed for each constructed garment and buymanship outfit.

F. Both boys and girls are eligible to participate in all classes. Only the senior division (14 and older) are eligible for the State Fair.

**Judging Guidelines for Fashion Revue**

I. **The 4-H members**

- Posture
- Modeling of the Garment
- Poise
- Grooming

II. **Suitability to the person**

- Fabric suitable to style
- Fabric & style suitable for occasion or person
- Color becoming and pleasing
- Fit
- Accessories appropriate and becoming
- General appearance

III. **Workmanship (as it relates to appearance of the garment)**

- Construction detail appropriate to fabric and style of garment.
- Quality of work as it contributes to knowledge of "professional look."

IV. **Value of Money Spent**

- *Cost per Wear Sheet (Included in Fair Packet)*

**Constructed Clothing Fashion Revue**

**Special Rules—Open Class Livestock**

1. Where breeding classes are shown, only purebred stock will be exhibited unless otherwise provided. Registration papers must be presented to the superintendent when the animal is entered.

2. All animals will be shown at halter and brought out to the section of the grounds upon which the judging is being done. Do not ask the judge to place ribbons upon animals in the pens, except where there is no competition. Suitable show pens will be properly provided for the swine classes.
3. All exhibition animals must be owned by the exhibitor.
4. In animal classes inclusive entries will be received; that is the owner may try for a certain award with two or more animals.
5. In animal classes inclusive entries will be received; that is animals may compete for prizes as singles and again as component parts of groups.
6. First premium exhibits in the various classes are in line to compete in their respective classes for sweepstakes or champion.
7. In addition to cash prizes, ribbons will be given to the winners in each class. Grand Championship; Reserve Champion; First premium, blue; Second premium, red; and Third premium, white.
8. 4-H Club exhibits will be eligible for entry in both 4-H and open classes (excluding bucket calves, bum lambs, and rabbits).

Open Class Entry Times:
All Non-Animal Entries
Tuesday, July 26th
7:30 am to 1:00 pm.
@ 4-H Building

Livestock Weigh-In & Vet Check:
ALL beef, goats, sheep, & swine
Monday, July 25th
7:30 am @ Livestock Arena

GRIEVANCE PROCESS
Complaints shall be handled in this manner:
1. An individual with a complaint must go to the superintendent in charge of the class and together attempt to resolve the problem with the other individual.
2. If one superintendent is not able to resolve the situation, they shall enlist the aid of two other superintendents.
3. If the problem is still unresolved, the matter will be taken up at the next regularly scheduled Fair Board meeting.
4. Grievances taken to the Fair Board must be in writing and signed by the person making the request.
5. Livestock Weigh

Department 117
A. Not more than two articles may be shown by one person in each class.
B. The plan from which it was constructed must be with the article exhibited. The plan may be a photo copy, the actual pattern, or a scale drawing. It must be complete and accurate to the extent that a duplicate article could be built using the plan as a guide.
C. Projects with missing or insufficient plans will be lowered one ribbon placing (i.e. a blue ribbon exhibit will receive a red ribbon).
D. Projects that have unsecured glass, i.e., glass shelves, glass top of a coffee table, etc., should not be brought to the fair. Glass that is secured in the project, i.e., glass front of a gun case or cabinet, etc., is permissible since it cannot be easily removed.
E. The entry card, plans and all other paperwork should be secured to the project in some manner. Tape is usually not adequate to accomplish this. It is recommended to use a zip top plastic bag with a hole punched through it and using string to tie this to the exhibit.
F. Refinished/ repaired furniture is not eligible for entry at the Kansas State Fair.
G. Projects made from pre-cut kits are not allowed.
H. In judging woodworking articles, consideration will be given to: Workmanship, including accuracy to the plan; Design; Choice of wood; Suitability and quality of finish; and Usefulness.

4-H Clothing and Textiles
Department 118
A. The 4-H members must be enrolled in the Clothing Construction project.
B. All work must be the product of the current year’s project work. It is suggested that the 4-H member bring the pattern and explanation of any alterations, if any, made to the pattern when the garment is being judged.
C. A garment/outfit in Class 1 can be an apron, skirt, vest, blouse, shirt, pair of slacks, dress, coat, jumper, jumpsuit, shorts, nightwear, etc.
D. No exhibitor may enter more than 2 items of the same kind in Class 1. For example, no more than 2 aprons, and no more than 2 vests, no more than 2 coats, etc.
E. Garments shall be cleaned and pressed before being exhibited.
F. Pre-cut kits are acceptable in all clothing classes.
G. All constructed items must be exhibited the entire week of the fair and will be released with other 4-H exhibits.
4-H Geology
Department 116

A. The exhibit box should be 18” x 24” x 3½”. Plexiglas covers are required. Boxes with glass covers WILL NOT be accepted. All specimens are to be arranged across the narrow (18”) dimension of the exhibit box, making the exhibit 18” across the top and 24” deep exactly. If a box has a sliding Plexiglas cover, it must be removable from the top. Screws, locks, or other devices that would prevent judges from removing the cover should not be used.

B. Each exhibitor is required to identify each display box by placing an identification label bearing name, county or district, and number of specimens in the upper left hand corner of the Plexiglas cover (inside-use clear double sided tape to adhere gummed labels), and by attaching a label with the same information on the lower right corner of the box (outside).

C. Exhibitor may show in only one of the geology display classes (1-4). Exhibitor may also show in geology class special exhibit, and the lapidary class.

D. Geology specimens should be labeled with the number of the specimen, date collected, specimen name or description, and locality (county only) where collected.

E. For the geology classes, specimens should be mounted in the box by proper groups: rocks, minerals, fossils. Fossils must be identified to the Phylum, Class and Genus level. Genus name is to begin with a capital letter. Species name is all lower case. Genus and species names must either be italicized or underlined, not both. The words “phylum, class, genus” on labels are to be spelled out, not abbreviated. More than one specimen of the same kind of rock or mineral or species of a fossil may be exhibited if this duplication represents different geological formations. Specimen label must show this distinction (Fort Hays limestone, not just lime-stone; calcite from the Greenhorn Formation, not just calcite; Phylum: Brachiopoda Class: Articulata Genus: Composita from the Morrill Limestone Member, not just Phylum: Brachiopoda Class: Articulata Genus: Composita).

F. For geology classes, all specimens must be collected (not purchased) from locations in Kansas, with the exception of Tri-State Mining Area specimens collected from these three adjacent counties: Ottawa County, OK; Newton and Jasper Counties, MO. Other out of state specimens will not count in the minimum number for the class, nor will they be considered in the judging. Champion Ribbon and Reserve Champion Ribbons

Class #
6. Beginning I Entomology. Display a minimum of 10 and a maximum of 30 insect species representing at least six different orders. Follow the general guidelines listed for Notebooks. A 4-Her may exhibit in this class for a maximum of two years.

7. Beginning II Entomology. Display a minimum of 20 and a maximum of 60 insect species representing at least seven different orders. Follow the general guidelines listed for all Notebooks. A 4-Her may exhibit in this class for a maximum of 3 years.

8. Intermediate Entomology. Display a minimum of 60 and a maximum of 100 species representing at least nine orders. Follow the general guidelines listed for Notebooks. Pictures in any two of the following six orders should be identified to family: Orthoptera, Hemiptera, Odonata Coleoptera, Diptera, and/or Hymenoptera. A 4-Her may exhibit in this class for a maximum of three years.

9. Advanced Entomology. Display a minimum of 100 and a maximum of 200 species representing at least twelve orders. Follow the general rules listed for Notebooks. In addition, family identification is required for all insects in the following six orders: Orthoptera, Hemiptera, Odonata Coleoptera, Diptera, and/or Hymenoptera. A 4-Her may exhibit in this class for a maximum of three years.

A. Share with others what you learned in this project. Exhibit any activity or learning experience related to the field of entomology or the teaming with insects curriculum that does not fit into Entomology Collection or Notebook classes above.

B. The exhibit may be, but isn’t limited to, original works, digital presentations (must provide printed hardcopy for exhibit purposes for duration of fair), programs, websites, games apps, or display box which you have made.

C. If the exhibit is a wooden display box, it must be 18 x 24 x 3.5 inches with a clear plastic top. Boxes can be handmade or purchased as long as they are of the correct size and do not have a glass top. If the exhibit is a display, maximum size is not to exceed a standard commercial 3” X 4” tri-fold display board.

D. Name and county must be clearly marked on educational exhibits.

Class #:
1. Introductory Collection – Display in one or two shoe boxes, pencil boxes, plastic storage boxes or one standard display box with a minimum of 15 and a maximum of 30 species representing at least 6 orders. The boxes should be covered with a piece of cellophane wrap, clear plastic lid, or Flexiglas taped across the top of the box or covering the box. Follow the general guidelines listed for Collections. There is no Kansas State Fair class for this level. To be eligible for the state fair, members age 9 and older should enter the Beginning through Advanced collection classes.
2. Beginning Collection – Entomology I. Display in one standard box a minimum of 50 and maximum of 125 species representing at least 7 orders. Follow the guidelines listed for Collections. Members can exhibit in this class a maximum of 3 years, or until they receive a purple ribbon at the Kansas State Fair, whichever comes first.
3. Beginning Collection – Entomology II. Display in one standard box a minimum of 75 and maximum of 150 species representing at least 9 orders. Follow the general guidelines listed for collections. Members can exhibit in this class a maximum of 3 years, or until they receive a purple ribbon at the Kansas State Fair, whichever comes first.
4. Intermediate Collection. Display a minimum of 100 and a maximum of 300 species representing at least 10 orders. Two standard boxes can be used. Follow the general guidelines listed for Collections. In addition, family identification is required for all insects in any of the following six orders: orders of Orthoptera, Hemiptera, Odonata, Coleoptera, Diptera, and/or Hymenoptera. Members can exhibit in this class a maximum of 3 years.
5. Advanced Collection. Display a minimum of 150 and a maximum of 450 species representing at least 12 orders. Three standard boxes can be used. Follow the general guidelines listed for Collections. Family identification is required for all insects belonging to the six basic orders as outlined under the Intermediate phase. Family identification of insects in the remaining orders is optional, but desirable as long as accuracy is maintained. On a piece of paper, list what you did to improve your collection during the current year. See KSF book for more info. Members may continue to exhibit in this class at the Kansas State Fair for an unrestricted number of years as long as they remain eligible in 4-H membership.

NOTEBOOK CLASSES
A. Individual entries are to be placed for display in a three-ring notebook for competition.

Dismissal of non-livestock exhibits will need to wait until after 8am Saturday, July 30th. Any exhibitor who disregards this rule will forfeit ALL premiums.

LIVESTOCK RULES

1. Livestock exhibitors are required to wear jeans, shirts and appropriate footwear when showing livestock.
2. All 4-H and FFA livestock exhibits must be in place by Monday at 12:00 PM.
3. Exhibitors will be required to wear an exhibitor number that will be utilized for all classes of livestock.
4. Livestock entries are limited to two exhibits per member per species in the market livestock projects. Livestock entries are also limited to two exhibits per member per species in the breeding livestock projects.
5. Animals may be recorded under two or more 4-H or FFA members of the same immediate family at spring weigh-in (i.e. families last name). At Fair weigh-in the animals must be entered under one 4-H or FFA member of the same immediate family. NO EXCEPTIONS!
6. All cattle, sheep, swine, goats and bucket calves must abide by the weigh-in dates and tagging requirements published by the Thomas Co. Extension Office.
7. First and second place competitors in each class are eligible to compete for champion and reserve champion. Competitors MUST earn a blue or better to be eligible.
8. Any 4-H or FFA exhibit sold at public auction or by private contract is not eligible to be exhibited at the Kansas State Fair. The animal cannot be shown at the Kansas Junior Livestock Show unless an agreement is made by both seller and buyer. Public auction includes: premium sale, ribbon auction, or similar event. If the project is sold, regardless of ownership changes, on the date of the transaction the 4-H or FFA member has given up the right to exhibit that specific animal or product in the future. In the case of livestock, market animals sold are ineligible to be shown as breeding animals in the future.
